

INTERNAL SITE REPORT

Adelaide Hills Renovation

42 Example Road · Hahndorf SA 5245

PREPARED FOR	Sam Example
PREPARED BY	Example Building Co.
ISSUED	9 October 2026
REFERENCE	SS-EXAMPLE-01

SAMPLE DOCUMENT

This is an illustrative example, not a quotation, contract or construction specification. Photos and measurements from a real site visit would be included in the live reports.

Site briefing

Illustrative internal capture for estimating and supervision. All selections and dimensions are examples and must be verified on site before pricing, ordering or construction.

01

Kitchen

EXISTING AREA - RENOVATION

MEASUREMENTS	4.20 m x 3.80 m x 2.70 m ceiling
SCOPE	Full strip-out, new cabinetry, stone benchtops, tiled splashback and services adjustments.
SITE NOTES	Check wall condition and appliance positions before final joinery set-out.
SELECTIONS	Shaker laminate cabinetry; stone benchtops; tiled splashback

BY OWNER

- Appliances supplied by owner.

TO CONFIRM

- Appliance models, final cabinetry drawings and electrical requirements.

02

Main bathroom

EXISTING AREA - RENOVATION

MEASUREMENTS	3.10 m x 2.40 m x 2.70 m ceiling
SCOPE	Remove fittings and finishes; waterproofing, tiling, shower screen and wall-hung vanity.
SITE NOTES	Confirm wet-area substrate and shower-screen opening.

TO CONFIRM

- Shower screen dimensions, tile sizes and heights.

03 Laundry

EXISTING AREA - RENOVATION

MEASUREMENTS	2.50 m x 2.10 m x 2.70 m ceiling
SCOPE	Replace cabinetry, trough and benchtop; retain window.
SITE NOTES	Verify existing waste and plumbing condition.

04 Whole house & exterior

PROJECT-WIDE WORKS

ROOF	Colourbond re-sheet proposed
GUTTERS	Quad-profile replacement
HOT WATER	Existing system; assess condition

TO CONFIRM

- Roof quantities, flashings and gutter lengths.

Approximate estimating quantities

AREA	FLOOR m2	WALLS m2
Kitchen	15.96	43.20
Main bathroom	7.44	29.70
Laundry	5.25	24.84
TOTAL - GROSS	28.65	97.74

Gross dimensions only. Floor = length x width; walls = 2 x (length + width) x ceiling height. No deductions for openings, waste or construction tolerances.

Estimator & supervisor handover

Confirm all outstanding selections, existing conditions and site dimensions before pricing or procurement. In a live report, captured photographs and their captions appear with the relevant room.
